## ABOUT OUR ORGANIZATIONS

Since 2004 the Community Resource Center has partnered with the Manchester Area Chamber of Commerce to co-host this community event. The Golf Outing serves as one of two major fundraising events for the Community Resource Center each year. Your participation directly supports community members in need by providing funds for food, direct emergency assistance as well as technology resources for job seekers, low-income tax filers, and those utilizing state and federal assistance programs online. For the Chamber, the Golf Outing proceeds help support, educate and promote the Manchester area business district which in turn increases local commerce, business traffic and employment in our town.

The mission of the Community Resource Center is to serve individuals and families in need by offering effective programs that improve their lives, promote volunteerism, and enhance the welfare of the Manchester community. The Community Resource Center is a 501 c 3 nonprofit organization and holds a current state charitable solicitation registration.

The Manchester Area Chamber of Commerce serves to promote and stimulate the commercial vitality of its members, who consist of local businesses, service organizations and individuals located in or near Manchester. The Manchester Area Chamber of Commerce is a 501 c 6 nonprofit organization.
